2. The upgrade offer is only available on a Gallagher TW-3 weigh scale (upgrading the software enable to become a Gallagher TW-5 weigh scale).
3. The software upgrade enables your TW-3 weigh scale to record **up to 9 data fields** and to be able to **draft by rules**. Gallagher reserves the right to, in its sole discretion, add additional functionality in future.
4. The terms of use, and all product information relevant to your TW-3, continue to apply after the software upgrade;
5. The upgrade does not extend your current, or provide any additional, warranty over the warranty offered with your initial TW-3 weigh scale purchase.
6. No credits or refunds will be provided for change of mind. The specifications of the software upgrade are provided above. Please read these carefully before purchase.

### **AP+ Subscription Upgrade Offer Terms and Conditions:**

1. Offer is available for a limited time only.
2. This offer is not available if you have previously accepted a 12-month free AP+ offer and are now a paid subscriber to AP+.
3. The free AP+ subscription offer is capped at one free 12-month subscription for new Animal Performance account holders.
4. In addition, if at the time of the software upgrade an Animal Performance account is subject to a free subscription period for AP+, or if the account has previously been subject to a free subscription period of less than 12 months, then the duration of the free AP+ subscription offer will be 12 months minus the period of free AP+ subscription the account holder has previously used. For example, if a user has previously used a free subscription period of three months then the free subscription period under this offer will be nine months.
5. By accepting the offer for the free AP+ subscription, you will agree to the Gallagher Services – [End User Terms and Conditions](#)
6. By claiming the offer, you agree to the yearly subscription fee that starts immediately after your free AP+ subscription offer expires, which will automatically renew, until cancelled. You can cancel at any time if at least one day before each renewal date. If you cancel during your free offer period, you will lose access to AP+ features at the end of the free AP+ subscription period.
